

Statements required in notice if the proposed tax rate exceeds the no-new-revenue tax rate but does not exceed the voter-approval tax rate, as prescribed by Tax Code §§26.06(b-2).

# NOTICE OF PUBLIC HEARING ON TAX INCREASE

This notice only applies to a taxing unit other than a special taxing unit or municipality with a population of less than 30,000, regardless of whether it is a special taxing unit.

PROPOSED TAX RATE	\$ <u>0.2000000</u> per \$100
NO-NEW-REVENUE TAX RATE	\$ <u>.19040600</u> per \$100
VOTER-APPROVAL TAX RATE	\$ <u>0.2947554</u> per \$100

The no-new-revenue tax rate is the tax rate for the 2024 (current tax year) tax year that will raise the same amount of property tax revenue for Baylor County Hospital District (name of taxing unit) from the same properties in both the 2023 (preceding tax year) tax year and the 2024 (current tax year) tax year.

The voter-approval tax rate is the highest tax rate that Baylor County Hospital District (name of taxing unit) may adopt without holding an election to seek voter approval of the rate.

The proposed tax rate is greater than the no-new-revenue tax rate. This means that Baylor County Hospital District (name of taxing unit) is proposing to increase property taxes for the 2024 (current tax year) tax year.

A PUBLIC HEARING ON THE PROPOSED TAX RATE WILL BE HELD ON September 24, 2024 at 6:30 p.m. (date and time)  
at Baylor County Hospital District Conference Room 200 Stadium Drive Seymour TX (meeting place).

The proposed tax rate is not greater than the voter-approval tax rate. As a result, Baylor County Hospital District (name of taxing unit) is not required to hold an election at which voters may accept or reject the proposed tax rate. However, you may express your support for or opposition to the proposed tax rate by contacting the members of the Board of Directors (name of governing body) of Baylor County Hospital District (name of taxing unit) at their offices or by attending the public hearing mentioned above.

YOUR TAXES OWED UNDER ANY OF THE TAX RATES MENTIONED ABOVE CAN BE CALCULATED AS FOLLOWS:

$$\text{Property tax amount} = (\text{tax rate}) \times (\text{taxable value of your property}) / 100$$

*(List names of all members of the governing body below, showing how each voted on the proposal to consider the tax increase or, if one or more were absent, indicating absences.)*

FOR the proposal: N.E. Deweber, Terry Bench, Krystal Butler, Mark Nichols, Vonda Archer, Bobby Morrow  
 AGAINST the proposal: N/A  
 PRESENT and not voting: N/A  
 ABSENT: Kay Bradley
